## Executive Challenge Academy - Emerging Leaders Program 2018-2019

### What is Executive Challenge Academy (ECA)?

Today's leaders face challenges that are more global, fluid and multidimensional. Issues, including change, must be managed within an increasingly complex environment. Leaders also need to develop public, economic and social value of any organisation or the sector they lead. Effective leaders rely on learnings and networks that transcend geography, jurisdiction, profession and sector.

At ECA, you will step out of your everyday context and into a dynamic ongoing learning community. Here you will become steeped in new thinking and new ways of approaching your challenges, and make connections with innovative leaders from across sectors and around the world.

### Course Content

Participate in all modules and additional options to make this program the complete experience of an executive development year. You will have access to small group intensive sessions with the workshop leaders as well as executive coaching. This creates a journey of intensive leadership development that draws on renowned presenters and transformative processes. Learn about:

- Public Leadership
- Changing Cultures
- Cross Sectoral Problem Solving
- Social and technological change
- Governance and Leadership
- Policy and strategy development
- Facilitative leadership
- Social Economic Environmental & Justice reform
- Transformational leadership and change
- Organisation design and development
- Creating desired futures for organisations and communities
- Systems thinking

### Who Should Attend?

Middle or senior managers:

- who are engaged with strategic or public leadership
- who wish to develop their leadership expertise
- looking to transform your organisation systems and sectors
- working across sectors and engaging in collective leadership.

### Outcomes

By the end of the Journey process you will:

- Have greater understanding of your own leadership strengths
- Be able to see and understand situations through multiple lenses
- Be able to sustain confidence and equilibrium in the midst of pressure and uncertainty

- Be more attuned to personal and group dynamics, and more skilled in working with those dynamics
- Have learned and practised skills needed to shift your organisation's or community's culture towards greater levels of engagement, trust and accountability

### Qualification Pathways

Post Graduate Diplomas and Masters Qualifications are available in partnership with Sunshine Coast University
