How we make a
difference

At the Executive Challenge Academy (ECA), we understand the challenges and opportunities you face. By providing transformational leadership learning and development through our faculty of cutting-edge thought-leaders, experienced CEOs, alumni and systems change agents from Australia and overseas, we build leadership knowledge and experience so you can achieve great things.

At ECA, you will step out of your everyday context and into a dynamic, ongoing learning community. Here you will become immersed in new thinking and new ways of approaching your

challenges, and make connections with innovative leaders from across sectors and around the world.

The Executive Challenge Academy has over 12 years of practice in collaborative leadership development and transformation and is strategically positioned to work with you to create cutting edge practice in leadership. Our 'dynamic learning' philosophy of encouraging new ideas, new approaches and new connections creates an environment of rich development.

The Executive Challenge Academy is delivered by Alliance for Leadership Learning - a social enterprise organisation dedicated to investing in place-based, cross sectoral leadership development.
